# Kanpur Mein Har 'Doctor' Dentist NAHI Hota!

Fake Degree Wale Quacks Se Apne Daant Bachane Ke 5 Signs — har check sirf 30 second

Sadar Bazar ke paas ek hand-painted board likhta hai — **"10 minute mein daant lagwa lo."** Us "doctor" ke paas na degree hai, na registration number, na sterilisation equipment. Har din dozens Kanpuriye us chair par baithte hain — apni oral health, kabhi-kabhi jaan bhi, ek quack ke hawale karke. Dental quackery India ki hidden epidemic hai — **1 lakh se zyada illegal practitioners** (AIDSA).

## QUACK KA CHAIR

X BINA CHECK

- Koi degree wall par nahi
- Registration number gayab
- Sterilisation equipment zero
- "₹500 mein sab ho jayega" — verbal promise

## VERIFIED CLINIC

✓ VERIFIED

- BDS / MDS degree display par
- State Dental Council number visible
- Autoclave + sealed instrument pouches
- X-ray + written itemised estimate

## Chair Par Baithne Se PEHLE Yeh 5 Checks Karo

1

### Degree Verify Karo — BDS / MDS, Sirf "Doctor" Nahi

DCI-recognised BDS degree hona zaroori hai. MDS = 3 saal ki extra specialisation. Real dentist apni degree proudly display karta hai — quack deflect karega ya unrecognised institute ka "certificate" dikhayega.

BDS / MDS

2

### State Dental Council Registration Number Dekho

Har registered dentist ka unique registration number clinic mein prominently display hota hai. DCI website (dciindia.gov.in) par online verify karo. Number missing, faded ya refuse — turant walk away.

DCI VERIFIED

3

### Sterilisation Proof Maango — Autoclave 121°C

Autoclave machine dikhti hai? Instruments sealed pouches se aa rahe hain? Quacks bina sterilisation ke needles, drills aur forceps reuse karte hain — HIV, Hepatitis B aur Hepatitis C ka direct rasta.

AUTOCCLAVE 121°C

4

### X-Ray Ke Bina Treatment Nahi — Non-Negotiable

Root canal, extraction ya implant se pehle radiograph compulsory hai — root structure, bone density aur hidden infections X-ray se hi dikhte hain. "No X-ray needed, I can see the problem" = incompetent ya quack.

X-RAY FIRST

5

### Written Treatment Estimate Lo — Verbal Nahi

Legitimate clinic itemised written plan deta hai: consultation fee, X-ray charges, procedure cost, material fees. Quack ka promise sirf verbal hota hai — "bhai, bas ₹500 mein ho jayega." Written estimate aapko legally aur financially protect karta hai.

## Qualified Dentist vs Quack — 30-Second Scorecard

| VERIFICATION CHECK     | ✓ QUALIFIED DENTIST                 | ✗ QUACK                           |
|------------------------|-------------------------------------|-----------------------------------|
| Degree displayed       | BDS / MDS certificate wall par      | Koi degree nahi ya fake institute |
| Registration number    | State Dental Council number visible | Refuse karta hai ya fake number   |
| Sterilisation          | Autoclave + sealed pouches          | Bina sterilisation tools reuse    |
| X-ray before treatment | Hamesha required                    | "No need, I can see"              |
| Written estimate       | Detailed itemised plan              | Verbal "cheap" promise            |

⚡ Ek bhi column galat = appointment cancel. Doosri clinic dhundo — Kanpur mein qualified options kami nahi.

CONSEQUENCES — SIRF COSMETIC NAHI, MEDICALLY CATASTROPHIC

## Quack Treatment Ki Asli Keemat

🦷

### Cement "Filling" Ka Khel

Quacks dental cement ya industrial-grade material use karte hain — oral use ke liye design nahi kiya gaya. Toxic chemicals, severe gum inflammation, tissue necrosis, chronic infection.

🦴

### Osteomyelitis — Jaw Bone Infection

Journal of Family Medicine and Primary Care: quack treatment ke baad jaw ki severe bone infection document hui hai — affected jaw segment ki surgical removal tak zaroorat pad sakti hai.

⚡

### Permanent Nerve Damage

Mandibular nerve anatomy samjhe bina extraction karne se lower lip aur chin ki permanent numbness hoti hai. Yeh numbness wapas nahi aati.

🩸

### Hepatitis B, C & HIV Risk

Bina sterilisation ke reused needles aur instruments blood-borne diseases ka seedha transmission rasta hain. WHO: unsafe injection practices se 1.3 million deaths/year worldwide.

Cement daant + infection + jaw damage ka ilaaj baad mein specialist se karwana — quack se bachat hui ₹500 se hazaar guna mehenga padta hai.

KANPURIYE KA SMART MOVE

## Appointment Se Pehle — 2-Minute Verification Checklist

1

### Google Karo: Clinic Naam + "Dental Council Registration"

DCI website (dciindia.gov.in) par dentist ka naam aur registration number check karo. 30 second lagte hain.

⌚ 30 sec

2

### Clinic Ko Direct Poocho

"Kya doctor MDS-qualified hain? Visit ke waqt degree aur registration certificate dekh sakte hain?" Legitimate clinic bina jhijhak haan bolega.

📞 1 call

3

### Google & Practo Reviews Padho

Sterilisation, X-rays, written estimates ke consistent mentions dhundo. Reviews mein "cheap" ya "quick fix" = red flag.

⌚ 30 sec

4

### Appointment Se Pehle Clinic Visit Karo

Autoclave, sealed instrument pouches, digital X-ray machine, displayed credentials — khud dekho. Kuch off lage toh apne instincts par bharosa karo.

"A quack doesn't just damage your teeth — they damage your trust in dentistry itself. One bad experience with a fake dentist can keep a patient away from real dental care for years, allowing preventable conditions to become life-threatening."

— Dr. Apurva Chaturvedi, MDS • Maxillofacial Prosthodontist & Implantologist

KEY TAKEAWAY

## Apne Family Ka Smile Surakshit Rakho

- Best dentist wahi hai jo **credentials display** karta hai, **sterilised equipment** use karta hai, **X-rays par insist** karta hai, aur **written treatment plan** deta hai.
- Quack ka cost rupees mein nahi — **permanent nerve damage, jaw infections, blood-borne diseases, aur lost teeth** mein measure hota hai.
- ₹500 ki "bachat" lifetime ki dental disaster se sasti nahi hoti. Apne daanto ke liye **specialist-led, verified care** ke sivay kuch aur accept mat karo.
